

ARTURO MENDOZA RENDÓN

PROFILE

UI designer/developer. I have a deep understanding of UX principles, how to translate them into UI, and robust training in front-end technologies and frameworks. Which gives me the ability to work with cross-platform teams

SUMMARY

With over 4 years of experience in UI design and Web design. I delivered exceptional results for clients by keeping always in mind User-Center Design (UCD) and by iterations result of Usability Test results.
